Kaggle achievements:

World's first Quadruple Grandmaster

Highest World Rank: 3

Kaggle profile: http://www.kaggle.com/abhishek

I hold a Master's degree in Computer Science from the University of Bonn.

In my free time, I like to take part in machine learning competitions and have taken part in over 150 competitions. My research interests include automatic machine learning, deep learning, hyper parameter optimisation, computer vision, image analysis and retrieval and pattern recognition.
