Arnav Tripathi

Electrical Engineering Undergrad at NIT,Raipur||UI/UX Learner
Raipur

Summary

I am Arnav,an undergraduate scholar in Electrical Engineering at
NIT,Raipur.Persuing Electrical Engineering is a dream come true for
me,exploring majestic machines and dynamic electrical systems.It
provides platform to learn about every technical stuff smoothly.
Apart from core stuffs I do WebDev,Competitive Programming(C++)
and Arduino Microcontroller Projects.
I do love painting,swimming,listening music and reading current
affairs leisurely.
That's it about me.
